## *A Living Tribute*

The Memorial Tree Program offers members and non-members a unique way to honor a loved one or remember a special event by donating a tree to the entrance road of Pine Acres Country Club.

A tree will be professionally planted along the entrance road to the golf course. A cast aluminum plaque will be staked next to the tree noting the type of tree, the name of the donor(s), as well as the name of the honored person(s), pet, or event. Program participants receive a commemorative certificate and a map identifying the specific location of their donated memorial tree.

Trees can grow for several hundred years making them an enduring, living memorial or tribute for a loved one or a wonderful way to honor someone for any event (i.e. birthday, marriage, anniversary or just a special occasion).

## *The Tree You Dedicate*

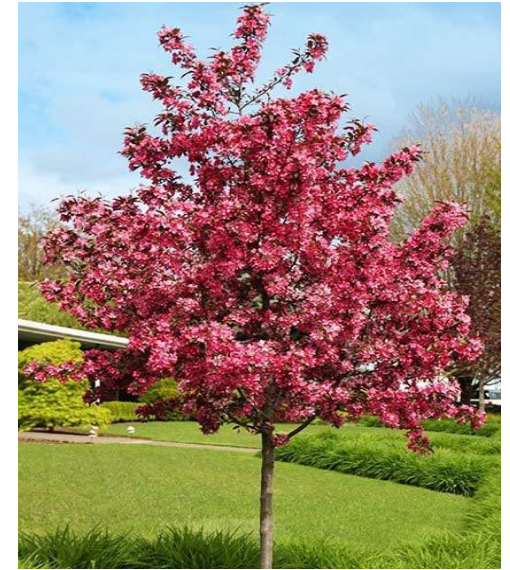

The trees featured in this brochure will be selected based on the recommendation of our landscaping supplier. Memorial trees will be approximately 7-10 feet tall when planted. It will have two stakes installed to help the tree mature straight. A nice ring of mulch will be laid around the tree. There is an annual or perpetual care fee for mulching, trimming, and basic care. A cast aluminum plaque with stake will be placed in the mulched area with your desired memorial information.
